

COLLEGE & CAREER

MINISTRY OF ORLAND PARK CHURCH

Our College & Career group will be kicking off this month with some new and exciting opportunities. If you are a college student or between the ages of 18 to 25, we would love to have you join us. Here's what we will be doing:

-  Dean and Juila will be hosting Monday Night Manna (MNM) at their home every Monday night starting September 14 beginning at 6:30 pm. Please join us for food, fellowship, devotionals, and games. Come anytime and stay as long as you'd like.
-  College & Career Bible study on Thursday nights twice a month starting on September 24 from 7:00-9:00 pm. We will be studying the letter of 1 John. We will be meeting at church with covid precautions.
-  Monthly discussions on sermon topics will be held on Zoom.
-  There will be a one-night fall retreat held in mid-October at Camp Manitoqua. This will consist of meals, fellowship, teaching, prayer, devotional time, and team building activities.

Please contact Dean at Dean@opcrc.org if you are interested in any of these opportunities or know a college student or young career person who might be. Or, find Dean on Facebook and he will add you to the College & Career FB page. We are excited to have you join us during this unique ministry season!
