"And you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth." Acts 1:8

Dear Family & Friends,

As we reflect on all God has done, our hearts are filled with gratitude and awe because of His goodness and grace. One of the ways He has shown His grace to us is through your faithful prayers and generous support. **Your partnership is an incredible blessing to us, making it possible for us to continue reaching and training this generation to impact the world for Jesus!**

Eternity week is a week long ministry of evangelism for Word of Life Philippines Bible Institute students and staff. This year 57 people joined going to Mindanao from January 24-30. **Praise God for the 11,560 thousand people who heard the gospel and 6,549 who responded! Thank you so much for your prayers, to God be all the glory!**

We praise God that this past January, Word of Life South Korea was able to minister through 6 different camps. **Altogether, the Lord brought 256 campers and 116 professed to received Christ!**

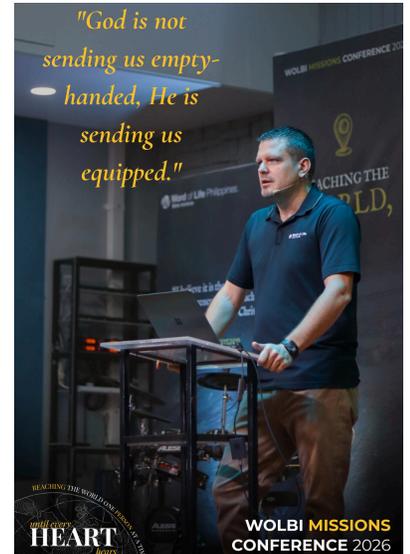

"...this experience has given me the realization of **how I want to share the Gospel** in my own country."

Eternity week, not only deepened my faith with the Lord but it opened my eyes to see the need of the Gospel. It also helped me to share the Gospel with boldness, courage and a sense of urgency!

This past February 27 - March 1, we had the privilege of hosting the Word of Life Bible Institute Philippines Missions Conference. Mike, together with our field leaders from India, Indonesia, and Vietnam was able to challenge everyone about need for workers and the opportunities to serve with WOL throughout Indo-Pacific and beyond!

Over the past weeks, the border between Pakistan and Afghanistan has become a flashpoint. Militants have clashed along the frontier and violence in spilling into nearby provinces. Many families have lost their love ones and hundreds of people have been hurt. One of the Churches we are working with to equip their young leaders closely felt the impact of the missiles. Many people in the congregations are facing uncertainty and families are being displaced. Please join us in this urgent prayer request!
- Report from our field leader for Pakistan

Please pray for..

- Peace, protection and comfort to our fellow believers affected with all the unrest going on around the world.
- Safety in our international travels on March 3-22.
- More workers throughout the Indo-Pacific Region.
- Our hearts to be faithful to His Word and His calling.
- Safety and protection of our entire team.

The ministry the Lord has entrusted to us is only possible because of faithful partners like YOU! You are not just supporting a mission, you are a part of it! We value you deeply, and we are so grateful for the blessing of your partnership!

Serving the Lord with you,
Mike, Pretty, JM & Hannah
