Dear Friends and Family,

“I will praise You, O LORD, with my whole heart, I will tell of all Your marvelous works. I will be glad and rejoice in YOU; I will sing praise to Your name, O Most High.” Psalm 9:1-2

A few months ago, we asked for your prayers regarding the opening of the Bible Institute. Thank you for praying! Our first year program was suspended this year as the Philippine government has not allowed any face to face instruction. We praise the Lord though for fourteen 2nd and 3rd year students who are now doing their internships as well as taking some online courses we are offering! Please pray for two foreign students who have been stranded here since March. We desire that they will be able to soon go home to their family.

After many years of praying for an Academic Dean for the Bible Institute, the Lord has finally answered our prayers. Thank you so much for praying with us on this very important need! We want to introduce to you Pastor Eric and Jaylyn. They are currently in the process of going through the Word of Life Missionary In Training. After this, they need to raise their prayer and financial support. Please pray this goes well and that they will be able to arrive here in the Philippines some time in 2021. This new missionary couple will be a big part of the future of our Bible Institute ministry as we begin training more and more missionaries for South East Asia

We thank the Lord for the opportunity to minister and encourage Pastors and workers during this difficult time. *Over 200 joined our virtual conference. Please continue to pray for us as we find ways to keep the Gospel going forward in the midst of many restrictions and limited movement.*

We have now been open for almost 2 months but getting campers to return has been very difficult. Please continue to pray for us as camping is a huge part of our ministry. Please also pray as the financial situation due to the few number of campers is very difficult. If you would be willing to make a year end donation to help us with our financial challenges this year, we would greatly appreciate it!

Please pray with us...

- *Pastor Eric and Jalyn as they go through the Missionary in Training.*
- *More campers to come!*
- *Mike's leadership, wisdom and faithfulness to His Word.*
- *JM, Hannah & Pretty as the kids are doing on line classes.*
- *Safety & good health for WOL Philippines team.*
- *Please pray for our financial needs as a ministry. For the past 8 months, our ministry has been able to hold on because of many of you who are praying and have given generously. If you feel led by the Lord to give and help us, please send your gift at www.give.wol.org/07043C. Because you give, we can continue to proclaim the truth of the Gospel to lead others to the Lord in the Philippines and beyond.*

“Now this is the confidence that we have in Him, that if we ask anything according to His will, He hears us.”

- John 14:15

Serving the Lord with you,

Mike, Pretty, JM and Hannah
