-- Pray for our God's mercy on Japan and plead for spiritual breakthroughs in this resistant nation! -- Thank the Lord for progress that has been

made to ease tensions with our nuclear-armed neighbor.

-- Pray for the needed financial and spiritual support to come in to keep us in Japan.

-- Thank God for our new office assistant, Mrs. Izumi Sugiura, deacon of Tanashi Reformed Church.

-- Pray for God's blessing on the special "sanbi" (praise) worship service on November 11 at Kamifukuoka Church, when we will be deploying some young musicians and challenging our youth (and others!) to devote themselves to God's service.

## Advanced notice of "home assignment" plans:

-- We were supposed to go on "home service" for 6 months in 2019, but have received approval instead not to spend such a long stretch away from the ministries here. Instead, I will spend 3 weeks in January and then be in the USA for 8-10 weeks in the summer, same for both 2019 and 2020. Please pray for wisdom and good responses as I try to plan and implement effective visits! I will soon be in touch about this! <sup>(C)</sup>
