"Then I heard the voice of the Lord saying,  
'Whom shall I send? And who will go for us?'  
And I said, 'Here am I! Send me!'" - Isaiah 6:8

## Dear Friends & Family,

We live in a world that is desperately searching for truth and for people willing to boldly answer God's calling to proclaim the Good News of Jesus Christ. **This journey is not ours alone; you are an essential part of what God is doing through it. We are grateful for your partnership, and we firmly believe that the fruit we are seeing is only possible because of God's grace and your faithful prayers and investment!**

One of our key strategies for reaching the Indo-Pacific region with the Gospel is to train nationals from their own countries and then send them back equipped and prepared to impact their people for Christ. This school year, we are grateful for 9 international students representing six different nations. Please join us in praying that they will rise up with boldness and embrace the challenge of reaching their generation with the Gospel!

**"Every student taking their next step with Jesus"**

Last year, Nash, Aaron, and Erlin came to Word of Life Bible Institute - Philippines with very limited English and uncertainty about what the future held for them. By God's grace, all three completed their training, and the Lord has now led them to serve alongside our team in Indonesia. **Please continue to pray for these young leaders as they boldly stand firm in their faith and share the Gospel in one of the most unreached nations in Asia!**

With the team in Indonesia

Issei is another graduate of the Word of Life Philippines Bible Institute from last school year who is now faithfully serving in his home country of Japan. Out of a population of 124 million, only about 0.7% identify as Christian. Please pray for Issei as he ministers with perseverance and boldness, reaching his generation with the Gospel in one of the most spiritually needy nations in the world.

## Please pray for..

- Safety for our missionaries serving in restricted countries.
- Favor and approval of visas for students coming to the Philippines.
- Protection and blessing for our ministry leader in Nepal
- God's provision and protection for the 250 missionaries serving across the Indo-Pacific.
- Student Scholarship provision for Word of Life Bible Institute Philippines.
- Wisdom and discernment for Mike as he serves and leads our team.
- For our family to grow and remain faithful to God's Word.

Everything we are witnessing God do across the Indo-Pacific is the direct result of your faithful prayers and generous support. As we continue to follow His leading in this vast and diverse region, we ask you to keep lifting us up in prayer. The need is immense, and the opportunities are expanding. **We know this mission is far greater than anything we could accomplish on our own. We are deeply grateful that you are standing with us. Together, let's press on to proclaim the Gospel with courage and compassion to those still waiting to hear!**

**Serving the Lord with you,**  
Mike, Pretty, JM & Hannah
