Dear friends& family,

"Only fear the Lord, and serve Him in truth with all your heart; for consider what great things He has done for you." - 1 Samuel 12:24

We are so thankful for the time we had in the States. One of the blessings was the Word of Life Bible Institute Global Summit where 16 different Campus leadership teams from around the world gathered to give updates and share God is doing through their ministries. We were able to go over our vision to strengthen our schools as we continue to equip and ground students in the Word of God from around the world. Please pray for our Bible Institutes in Asia as we seek to train Asians to reach their own people for Christ.

Bangladesh Leadership Training

Thank you for your prayers for the leadership training in Bangladesh this past July 7-9. The Lord brought 50 leaders from 20 different Churches. We are so thankful for the training and materials which were translated into the Bangla language to help train young leaders. Below is a picture of our leader and his family on the ground in Dhaka, Bangladesh.

One of the exciting ministries of Word of Life is Camping! Over the past couple weeks, two of our fields in Papua New Guinea and Vietnam had amazing camps with a significant number of young people professing to receive Christ as their personal Savior! Please continue to pray for our teams that they will grow. The harvest is ready but the laborers are few.
