### THANKSGIVING REPORT

Thanks to the generosity of the AGAPE CENTER, BETHEL (of Crown Point), **S.S. CHINESE CHURCH**, & Covenant Fellowship etc.

CHRIST CARES WAS ABLE TO **BLESS 140 FAMILIES** WITH A NICE THANKSGIVING MEAL.

Also able to bless several awesome urban churches to help with distribution.

### CHRISTMAS REPORT

Once again hundreds of children were blessed at Christmas because of your generosity – THANKS to First Church Lansing, Orland Park CRC Church, Crete Church, Hillside Community, Toys for Tots, **and too many more to mention.** Also grateful we had **TWO NEW CHURCHES** participate – Village Church of Dyer & Bethel Church of Crown Point.

### 40 YEARS OF URBAN MINISTRY CELEBRATION

We're grateful for the urban ministers who came on a very cold night to testify how Scott & CHRIST CARES has made a difference through the years. You can view the videos on our FACEBOOK PAGE.

### REV JAMIL WILLIS

Pictured faithfully delivering food on Tuesdays to families in need, especially the HOMELESS who recently got housing but still are on the edge financially.

He will also be starting in a few weeks a CHRISTIAN A.A./N.A. PROGRAM CLASS which will also be zoom broadcasted.

### FOOD MINISTRY

Pictured: a newly donated cargo van for our Food

and Resource Ministry. We are excited to team up with New Life, the church Scott cofounded 40 years ago. They have been blessing around 70 families per week with groceries. We will help increase the amount of resources and also add our expertise in the spiritual witnessing & outreach.
